Deer Hunting: Option available for \$2,500 with membership

The goal of the Quality Deer Management (QDM) program is to enhance the overall population and quality of the deer herd. We have now had a number of years of aggressive management and are just now beginning to see the positive results; we will continue this management plan through the fall 2017 season and well into the future. In order to improve the overall quality of the bucks on the Tejon Ranch, the QDM program focuses on harvesting mature, heavy antlered bucks that do not possess the attributes to meet our management goal. Guided QDM deer hunts for North Hunt Club members will include a 2-day hunt over a 3 day period including accommodations, meals, transportation on the ranch and basic field care of game, **but does not include a guaranteed shot opportunity.**

Lodging and Camping. Members in the North Hunt Club will have the ability to use cabins within the North Hunt Club area as well as dry camping at the Vaquero Campsite located adjacent to the Old Headquarters Entrance (Sebastian Road). All of the lodging opportunities will be subject to availability. **All cabin lodging requires a two (2) night stay beginning on Monday, Wednesday or Friday.**

- Bloom House is located just inside the Old Headquarters Entrance. This house has a fully equipped kitchen, sleeps fourteen (14), all the basic amenities and can be rented for \$350 per night.
- Cazador Lodge is located off of the Haul Road approximately 8 miles from the Old Headquarters Entrance. This lodge has a fully equipped kitchen, sleeps fourteen (14), all the basic amenities and can be rented for \$350 per night.
- Vaquero Campground is available for RV's and trailers. This is a dry campground with no hookups. There are limited spots available and will be based on a first come, first serve basis. All RV's and trailers will need to be removed at the end of each stay. **Note: RV's and trailers may be kept at the Vaquero Campground for \$500.00 per season.*
