

# HUNT AT † TEJON

## Wildlife Management Department Guided Pig Hunt

Tejon Ranch's guided pig hunt is a two-night, two-day hunt over three days that includes a guide, lodging, meals, transportation on the Ranch and basic field care of harvested animals (alcohol not included). We have a high success rate on these hunts and is a great way to see the vastness and splendor of California's largest single ranch.

### **Schedule:**

Hunts start on Monday or Friday. Hunters will check in at 12:00 pm or 1:00 pm (depending on time of year) at the Tejon Ranch Wildlife Management Office (4427 Lebec Rd. Lebec, CA 93243). After checking in, you will be escorted to your hunting cabin by a ranch representative where you will receive an orientation. A shooting range is available to ensure your rifle is on target with the required **non-lead ammunition**. You can expect to hunt until end of shooting hours on the first day, approximately four (4) hours in the morning and four (4) hours in the evening of the second day and the morning of the third day until the hunt ends at 10:00 am (hunt to harvest applies).

### **What to bring:**

Hunters are expected to come prepared for vast and varying terrain, changing weather patterns, and basic needs to care for game transportation when leaving the Ranch, which includes ice chests to accommodate large animals and game bags if desired. Our cabins are equipped with all the basic needs including hot showers, towels, bedding and provide a great atmosphere for hunters to enjoy their time on the Ranch. Meals will be provided for dinner the first night, continental breakfast, lunch and dinner the second day and continental breakfast the last day of the hunt.

Please note, Tejon Ranch requires **non-lead ammunition** for your firearm and use of rifles with clips over five rounds is prohibited (we strongly recommend you take the time to sight-in your rifle prior to arrival for your hunt). A valid California hunting license and embossed pig tag are required and available to purchase at the Tejon Ranch Wildlife Management Office (if you are unsure of the requirements to purchase a California hunting license, please ask our staff). At Tejon Ranch, we strive to cater to all hunter levels and welcome all levels of experience. Our staff is available to answer any specific questions to make sure you are prepared, safe in the field and will work hard make your hunt successful.
